

The 2008 Big Bend - Winterthur Drive video

If you participated the 2008 drive you may be interested in a video of the event. Our videographers will be capturing many hours of footage all along the drive route. We will be editing it all down to a documentary similar to the ones we produced in 2004, 2005 and 2007. If you would like to pre-purchase a copy or be informed when this video available, fill out and mail in the form below or inquire at our email or web address. Video documentaries of previous drives are still available.
